shy of 4 weeks since my surgery, and I have been very good about doing my rehab work, and I actually started riding some, about ten days ago, just easy stuff for short periods of time. [Click here to read more...](#)

Arm Pump or Carpal Tunnel Syndrome Part 2

9/26/2007 With the Saturday Demo Day at KTM World / Highland Park successfully completed, I threw my gear in the truck for a 5am Sunday morning departure for the last race I would do for a while. [Click here to read more...](#)

2008 KTM 300XC and 450XCF

9/20/2007 Ill come right to the point - these two bikes are arm stretching fast, do huge power slides, and pull monster wheelies any where, any time. [Click here to read more...](#)

Arm Pump or Carpal Tunnel Syndrome Part 1

9/14/2007 I'm 51 years old and I've been riding and racing for a long time. Racing helps keep me fit and felling younger than I am.
